SPLENDID REPORT
Fine Work of Pupils of Miss Gordon's Training School

With today the 1908-9 term of work of Miss Gordon's Training School practically comes to a close, and with an outing tomorrow and re-convening on Thursday for the announcement of grades, the pupils and their faithful teacher will part for the summer vacation.

This year, in point of attendance especially, has been a most remarkable one for this school. During the term every seat in the schoolroom has been occupied, while many applications for enrollment of new pupils have been refused on account of not having the necessary accommodations. The term has been marked by regularity and promptness on the part of the pupils, and this has done much toward making the session a most successful one.

Not only in point of attendance has the year's report been quite gratifying, but the work of the pupils in their studies has also been splendid and in keeping with the very thorough instruction they are known to receive, for as a teacher Miss Gordon's reputation is second to none in this section. Her school has been on the College scholarship list for several years and her pupils, when they have finished her course of study, are well prepared either for higher educational work or for good commercial positions. Miss Gordon's success as a teacher has been due to the close application of her time and energy to her work; the encouragement in every way possible she gives her pupils, endeavoring to know the ability and tendency of the children entrusted in her care, and, thus understanding them, getting the best results of her labor.

That her work does stand exceptionally high, and is appreciated, and that she is classed as a very superior teacher, is evidenced by the opposite school she has built up, notwithstanding the fine Public Schools of the city.

Having no graduates this year, no public exercises will mark the closing of the session's work, but instead teacher and pupils will tomorrow enjoy a delightful outing at Mr. Hedges' place in the county, formerly known as the Best farm.

On Thursday the pupils will have their year's report read to them, and the session of 1908-9 will have passed into history.

CURED TO STAY CURED.

How a Maysville Citizen Found Complete Freedom From Kidney Troubles.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured.

Doan's Kidney Pills make lasting cures. Maysville people testify.

Here's one case of it:

M. C. Chisholm, 317 East Second street, Maysville, Ky., says:

"The cure which Doan's Kidney Pills effected in my case some years ago has been permanent, and the testimonial I gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had only used them a short time when I noticed a marked improvement. They soon cured me, and I have learned of several instances where they have been used with good results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
